

## Forgot Your Password?

Your password must contain at least 8 characters and must contain at least one letter and at least one number or special character. Your password is case sensitive.

If you know your User Id but have forgotten your Password, you can create a new Password as follows:

Access the ADP Log In page and click on **Forgot your Password**.

You will be prompted to enter your User Id and answer one or both of the questions you selected during registration. Once the system recognizes you, you will enter and confirm a new password.

**Forgot your password?**

---

For security reasons, we need some information to verify your identity. Please enter your User ID to start the verification process.
