

## College of Coastal Georgia – Assistant Professor in Mathematics

The College of Coastal Georgia (CCGA) is currently seeking applications and nominations for an outstanding faculty member to support in Mathematics. The faculty member will join a newly formed Division of Mathematics, Technology and Natural Sciences consisting of faculty members with strong records of academic excellence. Job duties include teaching both upper division level and lower division level mathematics courses including learning support mathematics courses as well as participating in departmental and college committees.

The successful candidate will have an earned doctorate in Mathematics or Applied Mathematics or a doctorate in Mathematics Education with a Master's in Mathematics and 3 years experience in teaching all levels of mathematics from developmental mathematics through calculus and linear algebra. Candidates will be expected to have a commitment to excellence in teaching, a commitment to professional development and serving students in a collegiate setting. Additionally, the candidate will be expected to work cooperatively with others, and be willing to teach both day and evening classes. Rank and Salary are commensurate with credentials and experience.

CCGA is a newly designated state college in the 35-member University System of Georgia. Located on the Georgia Coast, the College has campuses in Brunswick and Kingsland, Georgia. Presently, the College employs over 200 faculty and staff and serves over 3,000 students in baccalaureate and pre-baccalaureate programs. The College also provides lifelong learning programs, participates in economic development within the College service area and has strong partnerships with K-12 schools. The College is located in a vibrant coastal region with historic communities and lovely beaches combined with strong economic and civic bases. The College expects to become a destination campus for thousands of students in the coming decade. Visit the College website at [www.ccgga.edu](http://www.ccgga.edu).

Review of applications will begin immediately. Applicants should submit a cover letter of application, a curriculum vitae, an one-page statement of academic philosophy, and letters from three (3) professional references. Applications, nominations and inquires should be directed to [FacultyJobs@ccga.edu](mailto:FacultyJobs@ccga.edu) or

Chair, Division of Mathematics, Technology and Natural Sciences  
College of Coastal Georgia
