

CCGA Foundation SAIL Grant

The College of Coastal Georgia Foundation created the Student Academic Incentive Link (SAIL) Grant to provide financial assistance to inspire and empower students to achieve their educational goals by providing tools, knowledge and financial resources essential for success. The ultimate goal is for recipients to become academically eligible for the Hope Scholarship and/or other types of merit-based aid as they begin their sophomore or future years.

This grant awards a maximum of \$1,000 per semester to a limited number of students with financial need who will attend the College of Coastal Georgia to complete their degree. SAIL applications will be accepted and considered for initial award during fall semesters. The priority deadline for scholarship applications is March 1st of each year. Applications received after this date will be retained as alternates. Eligible students must meet the following criteria:

- Enroll full-time as a entering student in an associate or baccalaureate program
- Agree to attend mandatory tutoring sessions, academic workshops, and presentations
- Minimum 2.5 high school GPA
- Demonstrate financial need as determined by the results of a completed Free Application for Federal Student Aid (FAFSA)
- Earn a GPA of 3.0 or better for the semester(s) for which the grant is awarded

The grant is renewable for the sophomore year provided that the student secures a 3.0 cumulative grade point average and maintains continuous full-time enrollment (SAIL grants may be used in the Summer). To apply, students should complete the College of Coastal Georgia Foundation Scholarship Application and provide a one-page description of their educational and career goals.

The Application should be addressed to:

**College of Coastal Georgia
College of Coastal Georgia Foundation
3700 Altama Avenue
Brunswick, GA 31520**

Scholarship award notices will be provided to applicants prior to enrollment. In considering scholarship applications, the College of Coastal Georgia and the Student Support and Scholarship Committee may request additional information of applicants and may request to schedule a personal interview.
