

Fall 2021 Quick Facts

As a state college of the University System of Georgia, the mission of the College of Coastal Georgia is to be a college of choice for residents of Georgia and beyond by providing accessible and affordable quality education. Advocating excellence in scholarship and community engagement, the College promotes student progression and timely graduation through student-centered programs that offer a rich and diverse student experience. Students are prepared for meaningful careers, advanced study, lifelong learning, and participation in a global and technological society. The institution will provide associate and baccalaureate degrees that support the community and region's intellectual, economic, and cultural needs.

The College of Coastal Georgia is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate and baccalaureate degrees. Questions about the accreditation of the College of Coastal Georgia may be directed in writing to the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, GA 30033-4097, by calling (404) 679-4500, or by using information available on SACSCOC's website (www.sacscoc.org).

The College's Basic Carnegie Classification is *Baccalaureate College: Diverse Fields*, indicating that more than 50% of degrees awarded are at the baccalaureate level. The institution's Instructional Program Classification is Professions Plus Arts & Sciences, meaning that 60-79% of bachelor's degree majors are in professional fields designed to meet the region's college-educated workforce needs, such as business, education, and health. The emphasis is on teaching and service with limited focus on basic or applied research activity.
