Homeschooled Student Information Sheet

Students using a program accredited by the Georgia Accrediting Commission, Georgia Private School Accrediting Commission or a regional accrediting association (such as the Southern Association of Colleges and Schools, or North Central Association) follow the regular admission procedure.

Curriculum recommendations for all students include:

- 4 units of English including grammar and usage, Literature, and advanced composition
- 4 years of mathematics including Algebra, Algebra II, Geometry and an advanced course (Trigonometry, Statistics, Calculus)
- 4 units of science including at least one laboratory course from life science and one laboratory course in physical science
- 3 units of social studies including U.S. and world history
- 2 units of the same foreign language

Preferred National exam for admission is the ACT:

The ACT includes percentile rankings in not only English and math, but also science and social studies. Students who score a 17 in English, 17 in math and within the 55th percentile in the science and social studies subgroups will be considered to have met College Preparatory Curriculum requirements in the respective areas.

Items needed to complete the admissions process:
