Each year Glynn County Farm Bureau (GCFB) in coordination with the local colleges in Glynn County will award one student scholarship. This will be a one year scholarship with $500 available each semester for a total of $1000. Part-time students (those not taking a full load of classes) will be eligible for a scholarship of $300 each semester.

These funds, $500 per semester, will be available to pay the cost of books, laboratory fees, field trip assessments, and additional expenses not covered by other scholarships. Students will submit vouchers, invoices, bills, or other debit paper work to the Office Manager of local GCFB for payment. These payments will not exceed $500 in total for any one semester. Unused funds in any one semester will revert back to the general scholarship account at GCFB.

Students to be awarded the scholarships will be selected by GCFB. The criteria for selection are: The student must be in good academic standing with a grade point average of at least 3.0 for baccalaureate degree students and a 2.5 GPA for technical career students. A waiver can be granted regarding the 3.0 GPA under review for special circumstances.
