

College of Coastal Georgia

Mariners Mate Program

Welcome Aboard!

We are excited you have decided to become a Mariners Mate with the College of Coastal Georgia.

A **Mariners Mate** is a community partner that has generously offered to provide a discount to College of Coastal Georgia students, faculty, staff or alumni when they provide their MAC (College ID) or Coastal Georgia alumni card at the point of purchase. The discount amount is the business owner's decision at the time of this agreement, but we ask that you honor this discount from June 1 – May 31 of each calendar year. If for any reason you wish to change the discount amount or discontinue participation, we ask that you provide 30 days notice so we may process your request. Please provide us with your company logo so we may proudly advertise your participation in Mariners Mate marketing and on our College website. Mariners Mate participants will receive a window decal to let customers know they are a proud supporter of the Mariners.
