Dear Dr. Lynch:

Our letter to you dated August 26, 2013, requested additional information regarding faculty qualifications and deferred action on the proposed Bachelor of Arts in American Studies degree program. Your email correspondence with Dr. Sarah Armstrong, dated August 30, 2013, requested guidance in fulfilling the request and provided additional information that addressed our concerns.

The Board of Trustees of the Southern Association of Colleges and Schools Commission on Colleges reviewed the materials seeking approval of the Bachelor of Arts in American Studies degree program. It was the decision of the Board to approve the program and include it in the scope of current accreditation.

We wish you much success in this endeavor.

Best regards,

Belle S. Wheelan, Ph.D.
