Dear Dr. Amstutz:

Thank you for the letter of August 12, 2017, notifying SACSCOC of your intention to offer 50% or more of the credits for two approved programs via electronic distance education. The two programs are the B.A.S. in Workforce Management and Leadership and the B.S. in Psychology with a concentration in Human Services. The College is also developing online delivery for the approved B.S. in Public Management with a concentration in Public Non-Profit Management and Leadership.

We acknowledge this information and will add it to the file. Please note that once an institution is approved to offer electronically 50% or more of the credits in a program, no notification is necessary when any percentage of an additional approved program is offered online.

Best regards,
