Psi State of Delta Kappa Gamma Society International recently awarded more than \$1,000 from the Elise Boylston Memorial Foundation Grant to Dr. Sarah R. Hartman, assistant professor of teacher education in the School of Education at College of Coastal Georgia. Hartman is a member of the Alpha Alpha Chapter.

The Elise Boylston Memorial Foundation grants assist teacher members with monies for educational research projects, the development of special projects or with their professional growth.

The grant monies awarded to Hartman will allow College of Coastal Georgia middle grades teacher candidates to conduct research-based service-learning projects and present the findings at the Georgia Middle Schools Association annual conference.
