Introduction

This packet will guide you through the process for forming a new student organization at the College of Coastal Georgia. Forming a group can be a challenging, but very rewarding process. To ensure success, the Office of Student Life has designed a process that will help your group form a solid foundation so that your organization can succeed and provide valuable experiences for your fellow students.

There are many positive benefits associated with being a recognized group on campus, including use of the College of Coastal Georgia name, ability to reserve space, the possibility of receiving funding through the Student Activity Fee allocation process and taking advantage of the services offered through the Office of Student Life. There are also several responsibilities associated with being a recognized group, including abiding by policies set forth in the Student Organization Handbook, re-registering annually and completing community service projects each semester.

Questions to Consider

When starting a new student organization there are several questions to consider:

1. Is there an existing group on campus that shares the same interests you’re looking for in a student organization?
2. Would you be able to recruit a minimum of six members for the group?
3. Do you have the time to work on all of the requirements and/or are others helping you?

The staff in the Office of Student Life will be available to help you answer these questions and provide you with assistance in forming your group.

Requirements

There are necessary requirements to become a recognized student organization at College of Coastal Georgia. They are as follows:

- Complete “Intent to Organize” Form

*Once this form is completed, the group will be issued temporary recognition that will last 60 days from the date the form is returned. During this time, the group must complete the following to seek full recognition status:*

- Recruit a minimum of six (6) members
- Have a minimum of three (3) executive officers
- Secure a College faculty or staff advisor
- Create a constitution
- Select officers and complete an Officer Information Form

Return these materials to the Office of Student Life. The organization leaders will confer with the staff to ensure that their paperwork is in order and that there are no glaring omissions or issues with the constitution.

**Recognizing a New Organization**

Once all materials are reviewed by the Office of Student Life, the organization is eligible for recognition by the Student Affairs Council and will be notified of the Council’s decision.

**Recognition:**

When recognized, organization officers and advisor will receive a letter or email of recognition congratulating them and detailing next steps including: holding regular meetings, hosting events, and accessing student activity fees through the established annual process.

Abiding by the criteria below will help ensure that a proposed organization receives recognition:

- The purpose, mission, and/or activities do not violate federal, state, and/or local laws;
- The purpose, mission, and/or activities do not violate the **College of Coastal Georgia Student Code of Conduct** and the provisions of the Student Handbook;
- The appropriate actions to establish a group are completed and sustained;
- The group does not duplicate the purpose of an existing recognized group, except in the case of a religious or political organization.

Please do not hesitate to contact the Office of Student Life at any time either in person by visiting the Campus Center on Main Campus, or by phone 912.279.4511

Organization Constitution

The constitution is the heart of your organization. It provides the structure by which your group will function, and it secures a professional operating environment that CCGA prides itself upon. The basic requirements of a constitution are listed below.

A sample constitution including the required articles, and the most common way of organizing them, is attached to this packet in order to aid you in the application process.

**Required Constitutional Elements:**

**Heading**

2. State the full name of the organization, and its acronym, if applicable.
3. Under the name, state the original date that the organization first met on the confines of the campus of the College of Coastal Georgia

**Body**

Any statements that must be included in the constitution in some fashion will be prefaced by the word “state” in boldface or text will be in **boldface**.

**Article I: Purpose**

- Clearly **state** the purpose of the organization. This is the singular most significant part of the document, as it is the mission statement of the organization. No organizations with duplicate or highly similar purposes of those existing organizations will be considered for recognition.
- **State** the purpose in sentences, or by using numbers or bullets.

**Article II: Membership**

- **State** that all active members shall be full- or part-time, officially registered students at College of Coastal Georgia.
- There are only two categories of membership: Active and Associate.
  - Only currently registered students are eligible for active membership.
  - All others interesting in furthering the purpose of the to be recognized organization shall be associate members. Only active members may hold office, vote, reside, officiate, or solicit funds on behalf of the organization.
- **State** that only currently registered students are eligible for active membership.
- **State** that there must be at least 6 active students.
- **State** that only active members may vote, preside, officiate, or solicit funding on the organization’s behalf.
- **State** that all members, in order to remain active, must have a minimum grade point average of 2.0, must meet requirements for satisfactory academic progress (SAP) and must not be on academic probation.
• **Office of Student Life rules requires:** “No organization may restrict membership based on characteristics of a student, which are intrinsic to the identity of that student, and are not essential to the potential value of that student as a member of that organization and the College of Coastal Georgia community at large. The College of Coastal Georgia prohibits discrimination and harassment against any person because of age, ancestry, color, disability or handicap, national origin, race, religious creed, sex, sexual orientation, gender identity or veteran status. Discrimination or harassment against faculty, staff or students will not be tolerated at the College of Coastal Georgia.”

**Article III: New Membership and Recruitment**

- Any and all new members will be given full disclosure during recruitment, including but not limited to the disclosure of:
  - New Membership Manual
  - A list of responsibilities
  - A definition of personal rights and a copy of the College Anti-Hazing policy, prescribed by Policies and Rules for Student Organizations (These documents will be available upon request by the Office of Student Life).

Please be sure to include reasonable guidelines for what is a condition for expulsion and protocol for addressing failure to meet the GPA requirement by members.
- Example: The club reserves the right to expel a member who is not following the policies of the organization with a super majority vote of attending members---quorum is 75% of active members in this instance.

**Article IV: Officers**

- **State** that only full-time or part-time, officially registered, active student members shall be eligible to serve as appointed or elected officers in your organization.
