Getting Started

Minimal set up is required to use Mobile ID. Most users can begin using their MAC on their phone in minutes. An approved photo is required and you should be registered for classes.

Photo Submission/Preparation

1. Once you have received your College of Coastal Georgia Online Photo Submission request, please submit your photo to be displayed on your MAC
 - a) Please review our photo requirements included in the email.
 1. Upload a photo for your MAC Mobile ID. Photos will generally be approved within 2 business days.
2. If you haven't done so already, set up your DUO login and multi-factor authentication login in the portal at <https://www.portal.ccgga.edu/>.

Set-up for iPhone and Apple Watch Users

Setting Up Mobile ID on iPhone or Apple Watch

1. Download the **eAccounts Mobile app** from the **App Store** to your phone.
2. Open **eAccounts**. Click through the startup screens and tap **Get Started**.
3. Search for **College of Coastal Georgia** and click through to the **MAC login screen**.
4. Enter your **Portal login information** to authenticate your device. If you have not set up your DUO login, please see 'Photo Submission/Preparation' above.
5. Once you have successfully authenticated in eAccounts, click the **Add to Apple Wallet** button to add your MAC to Apple Wallet. You can add your student ID to one iPhone and one Apple Watch.
 - a) Click **iPhone** and continue through the prompts (Next, **Agree** to Terms & Conditions).
 - b) When the process is complete, the app will send a notification to verify your MAC Mobile ID has been added to Wallet.
 - c) Tap **Done** in the upper right corner to return to the Home screen of the app.
 - d) You can now add your Apple Watch using the same process.

Adding Your Transact Mobile ID to Apple Wallet on a Second Device

1. Repeat steps 1-5 to login to the **eAccounts Mobile App**.

2. Ensure your second device is signed into the same iCloud account as the first device.
3. From the Campus ID screen in eAccounts, tap the ⓘ in the upper right corner of your Transact Mobile ID display.
4. Tap **Add or Remove Campus ID from Wallet**.
5. Choose your **second device** to add your Transact Mobile ID.
6. On the **Add Card to Wallet** screen, tap **Next** in the upper right corner.
7. Follow the onscreen instructions to complete adding your card.

Using Mobile ID on Your iPhone

Your iPhone or Apple Watch must be turned on, but it does not have to be connected to a network. For iPhones 6S, iPhone 6S Plus and later, Express Mode allows you to use your MAC Mobile ID without unlocking the device with a passcode, Touch ID, or Face ID. Just tap your device against the reader to recognize your MAC Mobile ID. On iPhone XS, XS Max, and XR Express Mode with power reserve is available for up to five hours after the device's battery needs to be charged.

On an iPhone 6 and 6 Plus, you can use it by double-clicking the Home button, then tapping your default payment card and selecting your student ID. Rest your finger on Touch ID to authenticate and hold the top of iPhone 6 or 6 Plus near the contactless reader.

- To display your MAC Mobile ID, open Apple Wallet and select your MAC from your saved cards.
- To add funds to your accounts in the eAccounts app, first save a payment method at the eAccounts website at [eAccounts](#).
 - Make a deposit via your desktop or mobile browser.
 - After completing the deposit, there will be an option to save your credit card information.
 - Once you have added the card information on the eAccounts website, that card will be available in the eAccounts app for future deposits. If you have already used eAccounts to access your Mobile

ID, you will need to sign out and back in to update the saved payment information.

Contact information for the MAC Office is also available from the MAC menu in the Apple Wallet.

Set-up for Android Users

Setting Up Mobile ID on Android

1. Enable **NFC** on your phone in your **Settings** menu. NFC settings can be found in different areas of the **Settings** menu, depending on your device. A common location is **Connected Devices>Connection Settings**. (If not found there, use the **Search** option on the top right to double check.)
2. Toggle the **NFC** setting to On.
3. Open **Google Pay** and make sure it is enabled as the default payment application. If the app prompts you to add a credit card, you can bypass that screen and return to the **Google Pay** home screen.
4. Download the **eAccounts Mobile app** from the **Google Play Store** to your phone.
5. Open **eAccounts**, click through the startup screens and tap **Get Started**.
6. Search for **College of Coastal Georgia** and click through to the **MAC login screen**.
7. Enter your **CCGA login information** to authenticate your device. If you have not set up your CCGA login please see 'Photo Submission/Preparation' above.
8. Once you have successfully authenticated in eAccounts, click the **Add to Google Pay** button to add your MAC to Google Pay.
 - a) Continue through the prompts (Next, **Accept** the College of Coastal Georgia Terms & Conditions).
 - b) Next, **Accept** the Google Pay Terms of Service.
 - c) The next screen will confirm that the ID has been added to Google Pay.

Using Mobile ID on Android

- You do not need to unlock your phone, but the screen must be awake to use your MAC Tap the power button to wake the screen and tap your phone against the reader. Note, the antenna location may vary by device, although it is often in the middle of the phone. As a result, you may have to adjust the orientation of your phone against the reader to have your mobile ID recognized.
- To display your MAC, open the **eAccounts app** and select the **View in Google Pay** icon.
- To add funds to your accounts in the eAccounts app, first save a payment method at the eAccounts website: [eAccounts](#).
 - Make a deposit via your desktop or mobile browser.
 - After completing the deposit, there will be an option to save your credit card information.
 - Once you have added the card information on the eAccounts website, that card will be available in the eAccounts app for future deposits. If you have already used eAccounts to access your Mobile ID, you will need to sign out and back in to update the saved payment information.

Contact information for the MAC Office is also available from the MAC menu in Google Pay.

Frequently Asked Questions

I am not having success adding my MAC to my device. Who can help me?

Contact the MAC Office at: THE Card Office- inside Andrews Center.

How do I change or recover my school login password?

Contact Technology Services at: techhelpdesk@ccga.edu

How do I activate and install the multi-factor authentication?

Instructions can be found at www.portal.ccgga.edu, then click on **Multifactor Authentication** (on the left).

Do I still need my physical MAC?

If you are a returning student and have a physical MAC, We recommend you retain it in a secure location as a back-up should you lose a device. New incoming students will not receive physical MACs at this time.

Can I still use my physical MAC once I have created my Mobile ID?

Yes, your physical MAC will continue to function after you have added your MAC Mobile ID to your device. Remember, the Mobile ID is a privilege and

benefit of being part of the College of Coastal Georgia community. Anyone found to be misusing their physical card or Mobile ID will be subject to the applicable Code of Conduct or HR policies regarding fraud and/or misconduct.

Accessing Your Account

Why can't I double-tap the side button with my phone locked to see my balances in Apple Pay?

When using Express Mode (iPhone 6s or later), your MAC will not be displayed with other cards in Apple Wallet for security reasons.

Can I use Mobile ID if my phone's battery is dead?

If you have any of the iPhone XS, XS Max or XR models, yes. Express Mode with power reserve is available for up to five hours when your phone needs to be charged. (For more details, see <https://support.apple.com/en-us/HT208965>.) Android phones and other iPhone models (iPhone 8 and earlier) do not offer this feature.

Setting Up Your Device

How do I check my iPhone device version?

1. On your device, go to Settings>General>Software Updates.
2. If your device is running iOS 12.2 or later, you're ready to use the Mobile ID.
3. If not, tap Download>Install. You may need to enter your passcode to start the update.
4. Once the download is complete, follow the instructions on your phone to finish upgrading to the latest version of iOS.

How do I check my Apple Watch device and/or software version?

1. The Series # for your Apple Watch can be found on the back of the Watch.
 - a. Note: The Series 0 Watch is not eligible for this program.
2. Instructions for verifying and/or updating your Apple Watch software version can be found at <https://support.apple.com/en-us/HT204641>.

I already have the eAccounts mobile app installed. Do I need to update?

Yes, you will need to install the updated version of the eAccounts mobile app.

How do I update the eAccounts mobile app?

On your device, visit the App Store or Google Play Store and search eAccounts. The store will prompt you to install any required updates.

How many devices can I add?

You can add either one iPhone and one Apple Watch, or one Android phone on your account at a time. See the 'Securing My Account' section below if you have lost a device and need to deactivate your ID.

How do I add my MAC Mobile ID to my new iPhone or Apple Watch?

First remove the pass from your old device from Apple Wallet. Once removed, go to the e-accounts app on your new iPhone and follow the steps to add to Apple Wallet.

Managing Your Account

Do I need to reactivate my devices each term?

No. As long as your enrollment status meets our eligibility requirements, devices you have enrolled will remain current. For security purposes, we may deactivate devices that have not been used for an extended period. You can re-enroll those devices whenever you wish.

What if I am away from campus for the semester and I don't want my MAC on my device? Can I delete and re-add it later?

Yes, you can remove your ID from Apple Wallet and re-add it when you return.*

To remove your MAC, navigate to the Wallet app, tap (...) in the lower right corner of your card and select **Remove Card**.

To remove your Apple Watch ID, navigate to the Watch app on your Phone, scroll to the bottom and select **Wallet & Apple Pay**. Tap on **your mac** scroll to the bottom and select **Remove Card**.

*To add IDs back onto your device, you must meet eligibility requirements and not have exceeded the device limit for your MAC

Can I delete my MAC from Apple Wallet or Google Pay through the eAccounts mobile app?

Yes, but we recommend the Remove Card Option directly from Apple Wallet or Google Pay.

From iPhone:

1. Navigate to the **Wallet app**.
2. Tap (...) in the lower right corner of your card.
3. Scroll to the bottom and select **Remove Card**.
4. Eligible cardholders who have not exceeded their device limit can add their Transact Mobile ID back at any time.

From Apple Watch:

1. Navigate to the **Watch app** on your iPhone.
2. Scroll down and select **Wallet & Apply Pay**.
3. Tap on **Transact Mobile ID**.
4. Scroll to the bottom and select **Remove Card**.
5. Eligible cardholders who have not exceeded their device limit can add their Transact Mobile ID back at any time.

From Google Pay:

1. Open **Google Pay**.
2. Select your Campus ID from the available cards.

3. Touch the **three dots** in the upper right corner of the screen.
4. Select **Remove ID**.
5. Confirm **Remove ID** selection.

From eAccounts:

1. Open the **eAccounts Mobile App** on your phone.
2. Tap **Continue to Sign In** and **login** with your school ID.
3. Approve the multi-factor authentication request.
4. Click on your photo in the upper left corner.
5. Under **Campus ID**, click the **icon** in the upper right corner of your School ID Card display.
6. Tap **Add or Remove Campus ID from Wallet** at the bottom of the back of your School ID Card display.
7. Select device(s) to remove from your card.
8. Tap **Remove** in the pop-up box.
9. Tap on the **Remove Card notification** at the top of the screen or go to Google Pay and tap **Remove Card** displayed under the School ID Card.
10. Tap **Remove** in the pop-up box and the card will be removed from your Google Pay.

How do I update information on my MAC?

Name information on the MAC comes to us from the College of Coastal Georgia's core business systems and needs to be updated there. Students should contact the Registrar's Office. Faculty and staff should contact their HR representative to request updates. Once changes are completed, the updates will sync to the MAC on your phone within 48 hours.

Why are my account balance(s) not displaying?

- If your account balances are \$0, they will not display until funds are added.
- If you have available funds that are not displaying, please contact the MAC Office at 912.279.5748 or email cardoffice@ccga.edu

My balance is different on my device than in eAccounts?

Confirm your device is not in Airplane Mode or experiencing any other service interruption. Updates cannot be made when there is no connecting service to sync data between eAccounts and your device. The eAccounts app will display the most current information.

Why do I have a negative balance on my Coastal Cash or Dining Dollars Account?

A negative balance can occur if you make a transaction when a retail device is offline. When the device comes back online and the transaction is posted, you will see a negative balance if there are not enough funds in your account to cover the transaction.

I am graduating or leaving the College of Coastal Georgia University. What happens to my Mobile ID?

As with your physical MAC your Mobile ID will become inactive when you no longer meet eligibility requirements. If you transfer to another participating program or department at College of Coastal Georgia, your ID will stay active and update accordingly.

Securing Your Account

What should I do if I lose my card or device?

- During regular business hours, contact the Student ID Card Office at 912-279-5748 to notify us to deactivate the MAC Mobile ID. Be sure to specify whether the physical card, watch, and/or phone version of the card should be deactivated. Any device not specified to be suspended will remain active.
- In the eAccounts app:

- Click the settings gear in the upper right corner.
- Choose the ID you want to deactivate and toggle it off.
- You will receive a confirmation email. Your physical Student ID card and any other Transact Mobile ID will continue to work on other devices, even if you have deactivated an individual device.
- Additional instructions for Lost/Found Apple devices and Find My iPhone are located at <https://support.apple.com/en-us/HT201472>

How do I reactivate my ID if I find my lost device?

To reactivate a found device that was suspended under (b) above, you will need to Log into eAccounts App and click the settings gear in the upper right corner. Click on **Found Card** on the next screen. Choose your mobile device that was previously lost. Click the **Activate Card** button. You will receive a confirmation email from Transact.

I suspect there has been fraudulent use of my ID. What do I do?

Suspend your ID immediately in eAccounts and within Apple Wallet/Google Pay.

- Log into the eAccounts app and click the settings gear in the upper right corner.
- Click on **Lost Card** on the next screen.
- Choose the mobile device you want to deactivate from the drop-down list.
- Click the **Deactivate** button.
- You will receive a confirmation email.
- Your physical School ID Card and any other device with your Transact Mobile ID will continue to work, even if you have deactivated a single device.

Identify the fraudulent activity: For purchases using Coastal Cash or Dining Dollars, contact the MAC Office (Email: cardoffice@ccga.edu and report

the suspected fraud. If door access was involved, e-mail:
cardoffice@ccga.edu .

Contact the MAC Office as soon as possible to obtain a replacement ID.
