Here are some guidelines: while the College returns to normal operations. However, as demonstrated in 2020, Groups, comprised of faculty and staff, reviewed and updated guidelines to ensure a safe environment.

The Mariner community is excited about the upcoming fall semester. Over the summer, COVID Working Groups continued to meet, ensuring that the College is prepared to provide a safe and enriching experience for all students.

Masks/face coverings are not required on campus, except in two areas on campus—Howard Coffin Gym and the Student Health Center. Spectators will be able to watch athletic games in person. Individuals who are not fully vaccinated will be strongly encouraged to wear masks in Howard Coffin Gym and practice social distancing.

Apartments will continue to be designated as quarantine space for students. The College will continue to post reported case updates on a weekly basis and Coastal Place site will be updated regularly.

Minority Outreach Program

MINORITY OUTREACH PROGRAM

The Office of Minority Outreach is committed to creating a diverse and vibrant campus where all students have equal opportunities to succeed. The program has helped many students from traditionally underrepresented backgrounds to achieve their educational goals.

The college has a strong commitment to diversity and nontraditional student success. The Minority Outreach Program provides support services for students who may face unique challenges as a result of their background or circumstances.

The Office of Minority Outreach will continue to be a vital resource for students and the College will work to ensure that all students have the opportunity to succeed.

- First Day of Class: August 16
- Mariner Volleyball Invitational: August 21
- First Friday Alumni Event: September 3, 2021
- Spring 2022: The College ranked No. 1 for Best Value category.

ALUMNI PROFILE: Angela Ammons

"I Just Wanted to be a Nurse"

Though Angela Ammons, RN, BSN, began her journey at Coastal Georgia Community College, she never thought she would end up becoming a CEO.

Ammons always knew that nursing was the career for her. After earning her associate degree from Coastal, Ammons obtained both her Bachelor of Science in Nursing and Master in Nursing Leadership degrees from Western Governors University.

Ammons has a long history of overcoming the odds. From a tumultuous childhood, dropping out of high school at age 15, earning her GED, having two children, getting divorced, and enrolling in college with a full time job, she understands the value of hard work and perseverance.

"I was drawn to nursing because I knew that patients are often at their most vulnerable point, " she said. "I Just Wanted to be a Nurse."
