Congratulations to our Mariner Alums who've been named Teacher of the Year for their respective schools in Glynn County!

Along with other teachers representing their schools, they will now be considered for Glynn County's 2022-2023 Teacher of the Year. The winner will go on to represent the county in the Georgia Department of Education's Teacher of the Year program.

COASTAL GEORGIA

Farewell Mr. Weese

We recently said farewell to Brian Weese, who has joined the Golden Isles College and Career Academy as their new Chief Executive Officer and Workforce Strategy Leader.

Remarks from Dr. Johnny Evans, Provost and Vice President for Academic Affairs:

"Brian has been a relentless advocate for students at the College and their career advancement for 10 years. Over the years, his work and passion for students' career development became more and more recognized across the entire campus, to the point where students would say to him in unison 'Put it on your resume' before he would even begin speaking with them at events. Brian's involvement and scope of impact also extended to the community, contributing to workforce development discussions, participating in employers' organizations and committees, serving as Rotary Club Member for many years and even serving as Rotary Club President (2019-2020); and yet, somehow, he even left time and energy to support both Rotaract and our Sailing Club.

He will be greatly missed, but we are excited to see him advance in his career, and take solace in recognizing that he will continue to serve the students in our community and will continue to help others advance as they connect their personal goals and dreams to successful careers."
