GUIDING STUDENTS TO SUCCESS

“Movies have always been about storytelling and we’re watching a captivating narrative unfold right now. The College’s remarkable growth is a testament to the stories of success we are all helping create. Like the awe-inspiring 70-foot-wide, four-story tall screen in our theater, students are stepping confidently onto a grand stage, bolstering our local workforce in numbers underscored by the College’s record enrollment. As immediate past chairman of the Foundation, I joined the Society at the Captain’s level this year and I hope you will consider becoming a member, too.”

— BILL STEMBLER

THE COLLEGE OF COASTAL GEORGIA is more than an academic institution. It is a proving ground for emerging business leaders, entrepreneurs, healthcare workers, educators, and tourism professionals.

The College adds to the well-being of the Coast as graduates move from campus to community.

The College welcomes support from everyone who believes in its mission and who appreciates its important role in the area’s quality of life. Joining the Navigator Society is a meaningful way to increase the College’s efforts to chart the course toward an even stronger Golden Isles.

Please consider becoming a Navigator today with an unrestricted gift of \$1,000 or more. Learn more at ccga.edu/navigator or email advancement@ccga.edu.
