COLLEGE OF COASTAL GEORGIA

Fall 2026 Quick Facts

As a state college of the University System of Georgia (USG), the mission of the College of Coastal Georgia is to be a college of choice for residents of Georgia and beyond by providing an accessible and affordable quality education. Advocating excellence in scholarship and community engagement, the College promotes student progression and timely graduation through student-centered programs that offer a rich and diverse student experience. Students are prepared for meaningful careers, advanced study, lifelong learning, and participation in a global and technological society. The institution will provide associate and baccalaureate degrees that support the intellectual, economic, and cultural needs of the community and region.
